Student Health Insurance Confirmation

Texas Education Code Section 51.961 as added by Senate Bill 505, 77th Texas Legislature, authorizes a governing board to require health insurance of students enrolled in health institutions. The UT System Board of Regents voted November 8, 2001 to include this requirement beginning with the 2002 – 2003 Academic Year.

Students are required to complete and file this confirmation with Enrollment Services as part of their initial registration process. Failure to do so may nullify or preclude registration. Completion of the section below is required before returning the form to Enrollment Services.

"I understand that effective Academic Year 2002 – 2003 all enrolled UTMB students are required to have and to maintain health insurance. I further understand and agree that I must have and maintain health insurance coverage on a continuing basis during my tenure as a student at UTMB. I further understand and agree that failure to have and maintain health insurance on a continuous basis during my entire tenure as a UTMB student may result in cancellation of my registration.

I hereby certify that I have a current health insurance policy."
