You may submit the flu report using one of the following methods:

- ➡ Fax to (936) 539-9272, Attention: Dr. Syed Ibrahim
- ➡ Email to sibrahi@utmb.edu, Subject Line: Weekly Flu Report
- ➡ Flu reporting now available online at www.montgomerycountyhealth.net

Please submit this report on a weekly basis by midnight on each Friday during flu season (October 1- March 31). Negative reports are requested as well.

Thank you for your voluntary participation in this reporting process! Surveillance of flu and flu-like illness is vital not only during flu season. It is vital during the other months of the year as it could lead to the early recognition of possible community outbreaks of other more serious diseases which have early presentations of influenza-like symptoms.
