All enrolled UTMB students are required to have and to maintain health insurance.

Students may enroll in the plan offered to UTMB students through The University of Texas authorized insurance program or furnish proof of existing health insurance coverage equal to the plan approved by The University of Texas System Board of Regents.

Proof of insurance is required each semester you are enrolled.
Failure to provide proof of insurance prior to beginning of each semester may result in removal from classes.

You have Health Insurance

If you currently have coverage through a company other than the UT System plan and will have continuous coverage during the Spring semester, please go to Mystar and report your coverage and provider.

After enrolling with the insurance company, you still need to go into Mystar and confirm your coverage to UTMB Enrollment Service.
