|-------------------------|------------------|---|---|-----------------------|
| Adegboyega, Patrick A.  | Ph.D.            | Associate Professor                       | Pathology   | CTD                   |
| Ahsan, Azeem            | M.D.             | Assistant Professor                       | Internal Medicine, Infectious Diseases                                  |                       |
| Albrecht, Thomas        | Ph.D.            | Professor                                 | Microbiology & Immunology   | SCVD                  |
|                         |                  | Professor and Director Infectious Disease |   |                       |
| Alter, Miriam J.        | Ph.D.            | Epidemiology Program                      | Internal Medicine, Infectious Diseases                                  | CHR                   |
| Ameredes, Bill T.       | Ph.D.            | Associate Professor                       | Internal Medicine   |                       |
| Aronson, Judith F.      | M.D.             | Associate Professor                       | Pathology   | CTD, CBEID            |
| Auslander, Beth         | Ph.D.            | Assistant Professor                       | Pediatrics, Adolescent & Behavioral Health                              | SCVD                  |
| Avery, Eric             | M.D.             | Associate Professor                       | Internal Medicine, Infectious Diseases/Psychiatry & Behavioral Sciences |                       |
| Baethge, Bruce          | M.D.             | Associate Professor                       | Internal Medicine, Rheumatology   |                       |
| Baron, Samuel           | M.D.             | Professor                                 | Microbiology & Immunology   | SCVD, CBEID           |
| Barrett, Alan D.T.      | Ph.D.            | Professor                                 | Pathology   | CTD, SCVD, CBEID      |
| Bell, Tanvir            | M.D.             | Assistant Professor                       | Internal Medicine, Infectious Diseases                                  |                       |
| Boldogh, Istvan         | D.M. B., Ph.D.   | Associate Professor                       | Microbiology & Immunology   |                       |
| Bourne, Nigel           | Ph.D.            | Associate Professor                       | Pediatrics, Virology  | SCVD, CHR, CBEID      |
| Bouyer, Donald A.       | Ph.D.            | Assistant Professor                       | Pathology   | CTD, SCVD, CBEID      |
| Brasier, Allan R.       | M.D.             | Professor                                 | Internal Medicine, Endocrinology  |                       |
| Braun, Werner A.        | Ph.D.            | Professor                                 | Biochemistry & Molecular Biology  | SCVD, CBEID           |
| Brooks, Edward G.       | M.D.             | Associate Professor                       | Pediatrics, Infectious Diseases   |                       |
| Calhoun, William J.     | M.D.             | Sealy & Smith Distinguished Professor     | Internal Medicine   |                       |
| Casola, Antonella       | M.D.             | Associate Professor                       | Pediatrics, Infectious Diseases   | SCVD                  |
| Chan, Leenian           | Ph.D.            | Professor                                 | Biochemistry & Molecular Biology  |                       |
| Chan, Tehsheng          | M.D., Ph.D.      | Professor                                 | Microbiology & Immunology   | CHR                   |
| Chauhan, Sadhana        | Ph.D.            | Assistant Professor                       | Microbiology & Immunology   |                       |
| Chonmaitree, Tasnee     | M.D.             | Professor                                 | Pediatrics, Infectious Diseases   | SCVD                  |
| Chopra, Ashok           | Ph.D., C.Sc.     | Professor                                 | Microbiology & Immunology   | CTD, SCVD             |
| Christadoss, Premkumar  | M.D.             | Professor                                 | Microbiology & Immunology   |                       |
| Cloyd, Miles W.         | Ph.D.            | Professor                                 | Microbiology & Immunology   | CTD, CBEID            |
| Copenhagen, Dorian      | Ph.D.            | Associate Professor                       | Microbiology & Immunology   |                       |
| Curran, Edward M.       | Ph.D.            | Scientist                                 | Pediatrics, Virology  | SCVD                  |
| Daniels, Jerry C.       | M.D.             | Professor and Associate Chair of Medicine | Internal Medicine   |                       |
| Davey, Robert           | Ph.D.            | Assistant Professor                       | Microbiology & Immunology   | CTD, CBEID            |
| Deng, Cheng             | Ph.D.            | Assistant Professor                       | Microbiology & Immunology   |                       |
| Eaves-Pyles, Toniya     | Ph.D.            | Assistant Professor                       | Microbiology & Immunology   | CBEID                 |
| Estes, D. Mark          | Ph.D.            | Professor                                 | Pediatrics, Microbiology & Immunology                                   | SCVD                  |
| Estrada-Franco, Jose G. | Ph.D.            | Assistant Professor                       | Pathology   | CBEID                 |
| Ferguson, Monique       | Ph.D.            | Assistant Professor                       | Internal Medicine, Infectious Diseases                                  |                       |
| Flick, Ramon            | Ph.D.            | Assistant Professor                       | Pathology   | CBEID                 |
| Fox, Robert O.          | Ph.D.            | Professor                                 | Biochemistry & Molecular Biology  | CBEID                 |
| Eyzaguirre, Eduardo J.  | M.D.             | Assistant Professor                       | Pathology   | CTD                   |
| Feldmann, Heinz         | M.D., Ph.D.      | Adjunct Professor                         | Pathology   | CTD, CBEID            |
| Frolov, Ilya            | Ph.D.            | Associate Professor                       | Microbiology & Immunology   | SCVD                  |
| Fulhorst, Charles       | D.V.M., Dr. PH   | Associate Professor                       | Pathology   | CTD, CBEID            |
| Garg, Nisha             | Ph.D.            | Associate Professor                       | Microbiology & Immunology   | CTD, CBEID            |
| Garofalo, Roberto P     | M.D.             | Professor                                 | Pediatrics, Infectious Diseases   | SCVD                  |
| Gelman, Benjamin        | M.D., Ph.D.      | Professor                                 | Pathology   | CTD                   |
| Galvao, Marcio          | M.D., MSc, Ph.D. | Adjunct Professor                         | Brazil  | CTD, CBEID            |
| Goldblum, Randall M.    | M.D.             | Professor                                 | Pediatrics, Infectious Diseases   | SCVD                  |
| Goldman, Armond S.      | M.D.             | Professor Emeritus                        | Pediatrics, Infectious Diseases   |                       |
| Gorenstein, David       | Ph.D.            | Professor & Assoc Dean for Research       | Biochemistry & Molecular Biology  | SCVD, CBEID           |
| Grant, J.A.             | M.D.             | Professor                                 | Internal Medicine, Allergy  |                       |
| Granwehr, Bruno         | M.D., M.S.       | Assistant Professor                       | Internal Medicine, Infectious Diseases                                  | SCVD                  |
| Guevara, Edilma         | Dr. P.H., B.S.N. | Assistant Professor                       | Preventive Medicine & Community Health                                  | CTD, CBEID            |
| Herzog, Norbert K.      | Ph.D.            | Associate Professor                       | Pathology   | CTD, CBEID            |
| Higgs, Stephen          | Ph.D.            | Associate Professor                       | Pathology   | CTD, SCVD, CBEID      |
| Houston, Clifford       | Ph.D.            | Professor                                 | Microbiology & Immunology   | CTD, SCVD             |
| Hudnall, S. David       | M.D.             | Professor                                 | Pathology   | CTD                   |
| Hughes, T. Kley         | Ph.D.            | Professor                                 | Microbiology & Immunology   | SCVD                  |
| Ismail, Nahed           | M.D., Ph.D.      | Assistant Professor                       | Pathology   | SCVD, CBEID           |
| Klein, Gordon L.        | M.D.             | Professor                                 | Pediatrics, GI  | CTD                   |
| Klimpel, Gary R.        | Ph.D.            | Professor                                 | Microbiology & Immunology   | SCVD, CHR, CBEID      |
| Kobayashi, Makiko       | Ph.D.            | Associate Professor                       | Internal Medicine, Infectious Diseases                                  |                       |
| Konig, Rolf             | Ph.D.            | Associate Professor                       | Microbiology & Immunology   | SCVD                  |
| Lau, Daryl T.Y.         | M.D., Ph.D.      | Assistant Professor                       | Internal Medicine-Gastroenterology                                      | SCVD, CHR             |
| Lee, James C.           | Ph.D.            | Professor                                 | Biochemistry & Molecular Biology  | SCVD                  |
| Lemon, Stanley          | M.D.             | Professor & Director                      | Microbiology & Immunology   | CTD, SCVD, CHR, CBEID |
| Lett-Brown, Michael     | Ph.D.            | Associate Professor                       | Internal Medicine, Allergy  |                       |
| Lewis, Simon            | M.D.             | Professor                                 | Neuroscience & Cell Biology   |                       |
| Li, Kui                 | M.D.             | Assistant Professor                       | Microbiology & Immunology   | CHR                   |
| Liu, Yong-Jun           | M.D., Ph.D.      | Professor and Chair                       | Department of Immunology-MD Anderson                                    |                       |
| Luxon, Bruce A.         | Ph.D.            | Professor                                 | Biochemistry & Molecular Biology  | SCVD, CBEID           |
