## Prohibition of Transporting Patients

---

**Purpose** To prohibit the transport of patients / families by Care Management Staff

---

**Audience** Care Management staff

---

**Policy** Care Management staff may not directly transport patients or family members either by private automobile or in a UTMB vehicle. Staff are allowed to accompany approved UTMB staff who drive a UTMB vehicle for the purpose of transporting a patient to a recreational, educational or therapeutic outing. If traveling off campus, approval from the Care Manager's Team Leader and/or Assistant Director must be obtained.
