

## Trainees supported by the UTMB OAIC Research Career Development Core 2000-present

Trainee	Mentors	Period of support	Role during support	Department	Research focus	Current status & Funding history
<b>P60 AG017231 – 2000-2004</b>						
Elena Volpi, MD, PhD	Wolfe/ Goodwin	2000-02	Asst Prof	Geriatrics	Nutrition and muscle metabolism	Professor, UTMB, 3,R01s, R03
Glenn Ostir, PhD	Goodwin/ Markides	2002-05	Associate Prof	Geriatrics	Positive affect, recovery from illness	Associate Professor, UTMB, K01, 2 R01s
Melinda Moore, PhD	Wolfe/ Urban	2000-02	Post-doctoral	Surgery	Exercise, muscle metabolism	Associate Professor, UTMB, 2 R01s
Kristen Peek, PhD	Ottenbacher/ Markides	2001-03	Asst. Prof/	Prev Med & Comm Health	Strength & disability in older Hispanics	Associate Professor, UTMB, R01
Lois Killewich, MD, PhD	Wolfe/ Goodwin	2001-04	Assoc Prof	Surgery	Peripheral vascular and muscle function	Professor, UTMB, K08
Sylvette Ajala-Torres, PhD	Papaconstantinou/ Van Houten	2000-01	Post-doctoral	Biochemistry & Structural Biology	Reactive oxygen mitochondrial function and aging muscle	Asst. Prof., Univ. Central de Caribe, Puerto Rico. R03; SO6
Quynh Bui, MD, MPH	Goodwin/ Markides	2003-05	Geriatric Fellow	Internal Med. Geriatrics	Diabetes and liver function	Physician, Private practice, Houston, TX
<b>P30 AG024832 – 2005-present</b>						
Bartoz Szczesny, PhD	Papaconstantinou/ Mitra	2005-07	Post-doctoral	Biochemistry & Molecular Biology	Age-dependent change in activity of DNA base excision repair proteins	Faculty, Biochemistry & Molecular Biology. K01 XXX priority score
Elisabet Boersheim, PhD	Wolfe/ Urban	2005-present	Asst. Prof	Surgery	Transcapillary Insulin Transport and Aging	Faculty position in Oslo, Norway. R01 pending
Mukaila Raji, MD	Goodwin/ Markides	2005-present	Asst Prof	Internal Med. Geriatrics	Gait speed, muscle strength, and cognitive process in the elderly	Associate Professor, Geriatrics, UTMB. GACA, Diver. Supl. R01
Hans Dreyer, PhD	Volpi/ Rasmussen	2006-2008	Asst Prof	Physical Therapy	Nutritional and Contractile Regulation of Muscle Growth	Accepted faculty position with University of Oregon. K01
Douglas Paddon-Jones, PhD	Wolfe/ Goodwin	2006-present	Asst. Prof	Surgery	Muscle protein catabolism during inactivity and stress	Associate Professor, Dept. of Physical Therapy, UTMB.
Felipe Amador, MD	Goodwin/ Ottenbacher	2006-07	Asst. Prof	Internal Med. Geriatrics	Social Disposition Factors and Length of Stay in the ACE Unit	Private Practice (Internal medicine – geriatrics) Aurora, CO
Micah Drummond, PhD	Rasmussen/ Volpi	2008-present	Asst. Prof	Physical Therapy	MicroRNA's and Sarcopenia	Assistant Professor, Dept. of Physical Therapy, UTMB.
William Durham, PhD	Sheffield-Moore	2008-present	Asst. Prof	Internal Med. Endocrinology	Changes in muscle perfusion on muscle protein metabolism.	Assistant Professor, Internal Medicine, UTMB.
