

PRO-SEARCH Resourcing, LLC.

Please allow me to introduce myself. My name is Heidi and I am with ProSearch Resourcing. We specialize in the placement of SLP's, CFY's, OT's, COTA's, and PT's nationwide. ProSearch partners with the leading all around pediatric therapy placement firm in the country. They are the ONLY firm that specializes in pediatric therapy that does ALL settings. We place in hospitals, clinics, schools, early intervention, and home health – perm and contract. If you want pediatrics then we could be the best choice for you.

Excellent benefit package goes tandem with this firm.

If you are currently looking, open to hearing about great opportunities in your area or nationwide, or know of someone who would be interested, please contact me. You can reach me by phone or email.

I look forward to hearing from you.
