Congratulations to the UTMB School of Medicine Class of 2006

The University of Texas Medical Branch at Galveston is proud to present the School of Medicine graduating class of 2006. For more than a century, UTMB has played a vital role in educating the state's physicians. Since its founding, the institution has awarded more than 11,000 medical degrees. These new physicians represent the next generation of healers who, in an era of scientific breakthroughs, will contribute their knowledge, compassion and talent to the most noble of human causes.
