Respondus

Installing Respondus 4.0

1. Run the Respondus Campus 4 installer and click Next.

2. Accept the license and click Next.

3. If desired change the installation directory and click Next to continue.
4. If desired change the Respondus Folders directory and click Next to continue.

5. Click Install to begin the installation.
6. Monitor the installation status.

7. If desired, install the Respondus Equation Editor.
8. Click Finish when complete.

9. The Equation editor may need some attention to install.

10. Now start the application and complete the Institution name, support contacts, and Installation Password. Email Academic Computing to obtain the data you need.
11. Choose Blackboard for the CMS Personality.

12. Respondus is ready for use.
