Brief description of design and items recycled:
____________________________________________________________________________________________
____________________________________________________________________________________________
____________________________________________________________________________________________

What have you made with found, cast away or broken materials? We want to see your artwork, home decor, furniture or more!

This is not a contest, but an opportunity to show your creativity by using “trash” to make a treasure.

Photographs are accepted until April 30, if your creation is too big to bring to campus.

All entries will receive a free Earth Day t-shirt or tote bag!

All entries must be delivered to the front of the UTMB Library by 9:00 am on May 2, and removed by 2:00 pm on May 2.

FOR MORE INFORMATION CONTACT:
Robin Baker at (409) 747-6736 or rlbaker@utmb.edu
Ruth Finkelstein at (409) 747-1247 or rfinkels@utmb.edu
