| 4 – 5p   | **Keynote Lecture**: “Molecular pathogenomics of group A Streptococcus epidemics: What have we learned?”  
**James Musser, MD, PhD,** Director of the Center for Molecular Translational Human Infectious Disease Research, The Methodist Hospital Research Institute  
Levin Hall Main Auditorium |
| 5 – 6:30p| **Poster Session with hors d’oeuvres and cocktails**                  | Levin Hall Foyer               |
| 8:30 – 9a| **Continental Breakfast**                                             | Levin Hall Foyer               |
| 9 – 9:10a| **Opening Address**  
**Danny O. Jacobs, MD, MPH,** Executive Vice President and Provost, Dean of the School of Medicine, UTMB | Levin Hall South Auditorium    |
| 9:10 – 10:40a| **Plenary Session I: Pathogen Genomics**  
Facilitated by **Naomi Forrester, PhD**  
"Metagenomics, the human microbiome, and applications to models of health and disease"  
**Joseph F. Petrosino, PhD,** Director of the Alkek Center for Metagenomics and Microbiome Research, Baylor College of Medicine | Levin Hall South Auditorium    |
| 10:40a – 12p| **Poster Session (continued)**                                      | Levin Hall Foyer               |
| 12 – 1p  | **IHII Faculty Luncheon**                                             | Levin Hall Dining Room         |
| 1 – 2:30p| **Plenary Session II: Pathogen-Host Interactions**  
Facilitated by **Lynn Soong, MD, PhD**  
“Mechanism of Oxidative Lung Injury in RSV Infection”  
**Antonella Casola, MD,** Professor, Dept. of Pediatrics, UTMB  
“Candidate Biomarkers of Chagasic Cardiomyopathy: A Study of Disease-based Protein Post-translational Modifications”  
**John Wiktorowicz, PhD,** Professor, Dept. of Biochemistry & Molecular Biology and Director, Proteomics Section, UTMB  
“Oxidative Stress and Antioxidant Responses in Leishmania Infection”  
**Lynn Soong, MD, PhD,** Professor, Depts. of Microbiology & Immunology, and Pathology, UTMB | Levin Hall South Auditorium    |
| 2:30 – 3p| **Coffee Break**                                                      | Levin Hall Foyer               |
| 3 – 4p   | **Plenary Session III: Metabolomics**  
Facilitated by **Sara Dann, PhD**  
TBA  
**Jeffrey Henderson, MD, PhD,** Assistant Professor, Depts. of Internal Medicine/AIDS, and Molecular Microbiology, Washington University in St. Louis | Levin Hall South Auditorium    |

All sessions are open to the public except the IHII Faculty Luncheon (IHII faculty members only.)
