

During the month of July you will participate in the Integrated Curriculum Evaluation Exercise (ICEE). The ICEE is a requirement for graduation. If you are not successful in your first attempt of the ICEE you will be expected to repeat the ICEE sometime during **blocks 4 or 5**. This means you may need to change your planned rotations to accommodate this requirement. Delaying the ICEE beyond block 5 will only be considered for extenuating circumstances. Completing this requirement early will allow us to make sure the ICEE does not interfere with your graduation or residency plans.
