I. Title

Sexual Harassment and Sexual Misconduct.

II. Policy

A. The University of Texas Medical Branch (UTMB) is committed to maintaining a learning and working environment that is free from discrimination based on sex in accordance with Title IX of the Higher Education Amendments of 1972 (Title IX), which prohibits discrimination on the basis of sex in educational programs or activities; Title VII of the Civil Rights Act of 1964 (Title VII), which prohibits sex discrimination in employment; and the Campus Sexual Violence Elimination Act (SaVE Act) which requires institutions to provide mechanisms for reporting specific crimes that occur on or near college campuses. Sexual misconduct is a form of sex discrimination and will not be tolerated. For purposes of this policy, the term “sexual misconduct” includes sexual harassment, sexual violence, sexual assault, stalking, domestic violence, and dating violence. Individuals who engage in sexual misconduct and other inappropriate sexual conduct will be subject to disciplinary action.

B. UTMB will take prompt disciplinary action against any individuals or organizations within its control that violate this policy. UTMB encourages any student, faculty, staff, or visitor to promptly report violations of this policy to an individual identified in Section IV.

III. Applicability

This Policy applies to all UTMB administrators, faculty, staff, students, and third parties within the University’s control, including visitors and applicants for employment. Correctional Managed Care (“CMC”) employees are protected under this policy; however, reporting and investigations may differ from those outlined in this policy. It applies to conduct regardless of where it occurs, including off UTMB property, if it potentially affects the complainant’s education or employment with the UTMB. It also applies regardless of the gender, gender identity, or sexual orientation of the complainant or the respondent. In addition, it applies whether the complaint was made by or against a third party, and whether the complaint was made verbally or in writing.

IV. Filing a Complaint and Reporting Violations.

A. Title IX Coordinator

All administrators, faculty, staff, students, and third parties are strongly encouraged to immediately report any incidents of sexual misconduct (including sexual harassment and sexual violence) and other inappropriate sexual conduct to the Title IX Coordinator or Deputy Coordinators.
1. **Anonymity.** Individuals wishing to remain anonymous can file a complaint in any manner, including by telephone or written communication with the Title IX Coordinator or a Deputy Coordinator; however, electing to remain anonymous may greatly limit the UTMB’s ability to stop the harassment, collect evidence, or take effective action against individuals or organizations accused of violating the Policy.

2. **Confidentiality.** UTMB has an obligation to maintain an environment free of sex discrimination, thus many UTMB employees and faculty members have mandatory reporting and response obligations and may not be able to honor a complainant’s request for confidentiality. Complainants who want to discuss a complaint in strict confidence may use the resources outlined in Section IV.D. below.

3. **Timeliness of Complaint.** Complaints should be reported as soon as possible after the complainant becomes aware of the inappropriate conduct. Delays in reporting can greatly limit the University’s ability to stop the harassment, collect evidence, and/or take effective action against individuals or organizations accused of violating the Policy.

B. **Reporting Options for Correctional Managed Care Employees.**
Correctional Managed Care employees should report incidents of sexual misconduct and other inappropriate sexual conduct to the appropriate Human Resources Regional Leader.

C. **Responsible Employees.**
1. Incidents of sexual misconduct (including sexual harassment and sexual violence) and other inappropriate sexual conduct may also be reported to Responsible Employees. A Responsible Employee is a UTMB employee who has the duty to report incidents of sexual misconduct to the Title IX Coordinator or other appropriate designee, or an employee whom an individual could reasonably believe has this duty. Responsible employees include all administrators, faculty, supervisory staff, advisors, graduate teaching assistants, and faculty who have a responsibility for students in the following capacities: teaching; advising; coaching or mentoring; or supervising in a clinical setting. Employees with confidentiality obligations as defined in Section IV.D.¹ are not included in the definition of Responsible Employee.

2. Responsible Employees can find contact information for the Title IX Coordinator and Deputy Coordinators at the following website: http://www.utmb.edu/studentservices/titleIX.asp. If a Responsible Employee does not report incidents of alleged sexual harassment within three (3) business days to the Title IX Coordinator, he or she could be subject to disciplinary action, up to and including termination. A Responsible Employee must immediately report alleged acts of sexual violence to the Title IX Coordinator; any delay beyond 24 hours could result in disciplinary action, up to and including termination.

---

¹ For example, a student may make a complaint to an employee in the Dean of Students’ Office, a faculty member or UTMB police. Each of these individuals is considered a Responsible Employee and accordingly each is obligated to report the complaint to the Title IX Coordinator or other appropriate designee.
D. Reporting to Law Enforcement.

1. Complaints of sexual misconduct may also be made to University of Texas Medical Branch at Galveston Police Department (UTMB Police Department) at (409) 772-1111 (non-emergency) or 911 (emergency) or to the City of Galveston Police Department at (409) 765-3600 (non-emergency) or 911 (emergency) or to other local law enforcement authorities. The Title IX Coordinator can help individuals contact these law enforcement agencies. Employees and students with protective or restraining orders relevant to a complaint are encouraged to provide a copy to the UTMB Police Department.

2. If a complaint of sexual misconduct is reported to the UTMB Police Department, it will advise the complainant of his or her right to file a complaint under this Policy. To the extent allowed by law and UTMB policy, the UTMB Police Department will also notify the Title IX Coordinator of the complaint, and provide the Title IX Coordinator or the individual investigating the complaint access to any related UTMB law enforcement records, so long as doing so does not compromise any criminal investigation.

E. Confidential Support and Resources.

Physical and mental health care professionals and pastoral counselors (including those who act in that role under the supervision of these individuals), are prohibited by confidentiality laws from reporting any information about an incident to anyone, in any way that identifies the victim, without the victim’s permission. Thus, students may discuss an incident with a counselor in Counseling and Psychological Services, a health care provider in Health Services, the clergyperson of the student’s choice, or an off-campus resource (i.e. rape crisis center, doctor, psychologist, etc.) without concern that the incident will be reported to the Title IX Coordinator. Employees may also seek assistance from the Employee Assistance Program, their own personal health care provider, the clergyperson of the employee’s choice, or an off-campus rape crisis resource without concern that the incident will be reported to the Title IX Coordinator.

Community resources that provide such services are:
- Resource & Crisis Center of Galveston County, Inc.
  - Local 24 Hour Hotline: 409-765-SAFE (7233)
  - Free 24 Hour Hotline: 7-888-919-SAFE (7233)
  - www.rccgc.org

F. Immunity.

In an effort to encourage reporting of sexual misconduct, UTMB may grant immunity from student disciplinary action to a person who voluntarily initiates a report of sexual misconduct or assists a complainant, if that person acts in good faith in reporting a complaint or participating in an investigation. This immunity does not extend to the person’s own violations of this Policy.

V. **Parties’ Rights Regarding Confidentiality.**
A. UTMB has great respect for the privacy of the parties in a complaint. Under federal law, however, Responsible Employees who receive a report of sexual misconduct must share that information with the Title IX Coordinator and/or a Deputy Coordinator. Those individuals may need to act to maintain campus safety and must determine whether to investigate further under Title IX, regardless of the complainant’s request for confidentiality.

B. In the course of the investigation, UTMB may share information only as necessary with people who need to know to fulfill the purposes of this Policy and applicable law, such as investigators, witnesses, and the respondent. UTMB will take all reasonable steps to ensure there is no retaliation against a complainant. UTMB will comply with the Family Educational Rights and Privacy Act (FERPA), with Texas Education Code Sec. 51.971 and other confidentiality laws as they apply to Title IX investigations. While UTMB cannot guarantee anonymity, UTMB will protect the privacy of all parties to a report of sexual misconduct, to the extent possible.

VI. **Victim Resources.**
A. **Immediate Assistance.**

[UTMB Police Department](#)
Emergency on Campus – 911
Emergency off Campus – (409) 772-1111
1. **Healthcare.** An individual who experiences any form of sexual, domestic, or dating violence is encouraged to seek immediate medical care. Emergency medical care can be provided at UTMB’s Emergency Department or any other hospital emergency room.

   **UTMB Emergency Department**
   901 Harborside Drive
   Galveston, Texas 77550

2. **Sexual Assault Forensic Exam.** Preserving DNA evidence is vital to identifying the perpetrator in a sexual violence case. Victims can undergo a medical exam to preserve physical evidence with or without police involvement. If possible, this should be done immediately. If an immediate medical exam is not possible, individuals who have experienced a sexual assault may have a Sexual Assault Forensic Exam (SAFE) performed by a Sexual Assault Nurse Examiner (SANE) within 4 days of the incident. With the examinee’s consent, the physical evidence collected during this medical exam can be used in a criminal investigation; however, a person may undergo a SAFE even without contacting, or intending to contact, the police. To undergo a SAFE, go directly to UTMB’s Emergency Department. UTMB’s Emergency Department has registered SANE nurses who have been specifically trained to provide comprehensive care to sexual assault survivors.

   For more information about the SAFE, see [http://hopelaws.org/](http://hopelaws.org/) or [https://www.texasattorneygeneral.gov/victims/sapcs.shtml#survivors](https://www.texasattorneygeneral.gov/victims/sapcs.shtml#survivors). The cost of the forensic portion of the exam is covered by the law enforcement agency that is investigating the assault or, in cases where a report will not be made to the police, the Texas Department of Public Safety. This does not include fees related to medical treatment that are not a part of the SAFE.

   Medical care can be provided at UTMB’s Student Health and Counseling (for students only), at a local emergency room, or by a private physician. Psychological support can be provided by Student Health and Counseling (students), a referral from Student Health and Counseling, Employee Assistance Program (employees), a referral through the Employee Assistance Program, or a care provider of the individuals choosing.

3. **Police Assistance.** UTMB encourages individuals who have experienced sexual misconduct to make a report to the police. It is important to note that a police department’s geographic jurisdiction depends on where the sexual misconduct occurred. If the incident occurred on UTMB campus, a report may be filed with the **UTMB Police Department** by calling (409) 772-2691 or in person at UTMB police headquarters in Rebecca Sealy 2.712 even if time has passed since the assault occurred.

   UTMB Police can also assist with filing any protective orders. Reporting an assault to law enforcement does not mean that the case will automatically go to criminal trial or to a UTMB disciplinary hearing. If UTMB police are called, a uniformed officer will be sent to the scene to take a detailed statement. A ride to the hospital may be provided by the UTMB Police. A report may be filed with the UTMB police department even if the
assailant was not a UTMB student or employee. If the incident occurred in the City of Galveston, but off campus, a report may be filed with the Galveston Police Department, even if time has passed since the assault occurred. If a report is made to the police, a uniformed officer will usually be dispatched to the location to take a written report.

4. Counseling and Other Services. A person who has experienced sexual violence is strongly encouraged to seek medical and psychological care even if he or she does not plan to request a SAFE or report the assault to the police. He or she may be prescribed medications to prevent sexually transmitted infections and/or pregnancy even if the police are not contacted or if a SAFE is not performed.

Students desiring counseling should contact:

**Student Health & Counseling**
Lee Hage Jamail Student Center – 3rd Floor
Monday – Friday, 8am to 5 pm – (409) 747-9508
After Hours Care - (409) 772-2222 or (800) 917-8906

Faculty and staff should contact:

**Employee Assistance Program**
(409) 772-2485 or (888) 870-8553

B. Interim Measures and Ongoing Assistance.

In addition to the services provided by on- and off-campus providers, UTMB will take immediate and interim measures to assure the safety and well-being of the complainant, to maintain an environment free from harassment, discrimination, and retaliation, and to protect the safety and well-being of community members.

For example, if the accused is an employee, interim action may include reassignment and suspension. If the accused is a student, interim action may include suspension, no contact orders, changing living arrangements, modifying the course schedule, or modifying other aspects of the educational environment. Interim action may also include allowing the complainant to move to a new residence hall, change work schedules, alter academic schedules, and withdraw from or retake a class without penalty. Moreover, UTMB may be able to provide additional accommodations for a complainant while an investigation is pending.

VII. Intake Procedures and Protocol.

A. Key Officials in an Investigation.

1. **Title IX Coordinator.** The Title IX Coordinator is the senior UTMB administrator who oversees the University’s compliance with Title IX. The Title IX Coordinator is responsible for leading the administrative investigation of reports of sexual misconduct and is available to discuss options, provide support, explain UTMB policies and procedures, and provide education on relevant issues. The Title IX Coordinator may designate one or more Deputy Title IX Coordinators.
Any member of UTMB community may contact the Title IX Coordinator with questions.

**UTMB Department of Internal Investigations**  
**Title IX Coordinator**  
Rebecca Sealy, Suite 2.302  
(409) 772-2112

2. **Investigators.** The Title IX Coordinator will ensure that complaints are properly investigated under this Policy. The Title IX Coordinator will also ensure that investigators are properly trained at least annually to conduct investigations that occur under this Policy. The Title IX Deputy Coordinators shall supervise and advise the Title IX investigators when conducting investigations and update the Title IX Coordinator as necessary.

**B. Assessment of Complaint.**

1. The Title IX Coordinator or designee will conduct a preliminary assessment of the complaint and notify the complainant of the methods of resolution, which are appropriate based on the facts of the complaint. When both formal and informal resolution are appropriate, the complainant may opt to pursue informal resolution, but may elect to resolve the complaint formally at any point prior to completion of the informal resolution.

2. Informal resolution may be appropriate:
   a) With a complaint solely of sexual harassment, not including sexual violence as defined in this Policy; and
   b) When both parties are categorically similar (i.e. employee/employee or student/student) or when both parties are not categorically similar, but neither party is supervised, taught, evaluated or advised by the other party.

**C. Notification of UTMB Offices Offering Assistance.**

After receiving a complaint, the Title IX Coordinator or Deputy Coordinator will refer the complainant to Student Health and Counseling for students or Employee Assistance Program for employees for available resources and assistance.

**D. Informal Resolution of Certain Sexual Harassment Complaints. (OPTIONAL)**

1. Informal resolution is not permitted for sexual violence cases. A complainant with a complaint other than sexual violence may use this option instead of or before filing a formal complaint, but is not required to do so. Anyone who believes that he or she has been subject to sexual misconduct of any nature may immediately file a formal complaint as described in Section VII. E. of this Policy. An individual wishing to use the informal resolution process should contact the Title IX Coordinator prior to the initiation of a formal investigation. The Title IX Coordinator will assess the complaint and discuss the method of resolution that will be utilized with the complainant.

2. **Informal Assistance.** In certain sexual harassment complaints, an individual may not wish to file a formal complaint. If the Title IX Coordinator or designee deems informal assistance appropriate, then the individual will be provided assistance in informally resolving the alleged sexual harassment. Assistance may include providing the complainant with strategies for communicating to the offending party that his or her behavior is unwelcomed and should cease, directing a UTMB official to inform the
offending party to stop the unwelcomed conduct, or initiating mediation. However, UTMB may take formal action, including disciplinary action, to ensure an environment free of sexual harassment or sexual misconduct.

3. **Timeframe.** Informal resolutions should be completed no later than 10 business days after the Title IX Coordinator determines the method of resolution to be utilized and notifies the complainant of this method.

4. **Confidentiality and Documentation.** UTMB will document informal resolutions, which will be retained by the Title IX Coordinator in accordance with records retention requirements. If an individual’s wish to remain anonymous limits the University’s ability to establish facts and eliminate the potential harassment, UTMB will attempt to find the right balance between the individual’s desire for privacy and confidentiality and its responsibility to provide an environment free of sexual harassment.

**E. Formal Complaint and Investigation.**

1. **Formal Complaint.** To begin the investigation process, the complainant should submit a written statement which includes the following:
   a) Complainant’s name and contact information;
   b) The name of the person directly responsible for the alleged violation;
   c) A detailed description of the conduct or event that is the basis of the alleged violation;
   d) The date(s) and location(s) of the occurrence(s);
   e) The names of any witnesses to the occurrence(s);
   f) The resolution sought; and
   g) Any documents or information that is relevant to the complaint.

2. UTMB may initiate an investigation regardless of the manner in which a complaint is received or whether a complaint is received at all. However, the complainant is strongly encouraged to file a written complaint. If the complaint is not in writing, the investigator should prepare a statement of what he or she understands the complaint to be based on information provided. If a UTMB office, other than the Department of Internal Investigations receives the complaint, it must be referred to the Title IX Coordinator, as soon as possible.

3. **Standard of Proof.**
   All investigations under this Policy will use the preponderance of the evidence standard to determine violations of this Policy.

4. **Investigation Process.**
   a) An investigator will be assigned to investigate the complaint.
   b) As part of the investigation process, the complainant and the respondent will be provided notice of the complaint and allowed a reasonable time to respond in writing.
   c) The complainant and the respondent may present any document or information that is believed to be relevant to the complaint.
d) Persons thought to have information relevant to the complaint will be interviewed, and those interviews will be appropriately documented. Both the respondent and the complainant may recommend witnesses for interview and suggest questions that should be asked. Neither the complainant nor the respondent will normally attend these interviews or the gathering of evidence; however, if either one is permitted to attend, the other will have the same right.

e) The investigation of a complaint will be concluded as soon as possible after receipt of the complaint. In investigations exceeding 60 days, a justification for the delay will be presented to and reviewed by the Title IX Coordinator or his/her supervisor.

f) After the investigation is complete, a written report will be issued to the Title IX Coordinator. The report will include factual findings and a preliminary conclusion of whether a policy violation occurred (based on a “preponderance of the evidence” standard).

g) After the written report is completed, the complainant and respondent will receive notification of the outcome of the investigation in writing via email. The letter will summarize the findings of the investigation in compliance with FERPA and Texas Education Code, Section 51.971. The letter will contain enough detail to allow the complainant and respondent to comment on the adequacy of the investigation or the findings. Each will have seven (7) business days from the date that the email was sent to submit written comments regarding the investigation to the Title IX Coordinator.

h) Within seven (7) business days after the deadline for receipt of comments from the complainant and respondent, the Title IX Coordinator or his or her designee will:
   1. Request further investigation into the complaint;
   2. Dismiss the complaint based on a determination that no violation of policy or inappropriate conduct occurred; or
   3. Refer the matter for disciplinary action under the applicable disciplinary policies and procedures based on violation of UTMB policy in accordance with Section I. below.

i) The complainant and the respondent will be informed concurrently in writing of the decision.

j) The appropriate administrator will impose disciplinary action or sanction(s) in accordance with the applicable policies and procedures dependent on the status of the respondent (i.e., student, faculty or employee).

F. Timelines.

1. Barring any unforeseen and reasonable delays, UTMB will resolve complaints under this Policy no later than 60 calendar days after a Responsible Employee knew, or in the exercise of reasonable care should have known about the action on which the complaint is based. If the investigation and resolution exceeds 60 calendar days, UTMB will notify all parties in writing of the reason for the delay and the expected time frame for completion. Best efforts will be made to complete the process in a timely manner by balancing principles of thoroughness and fundamental fairness with promptness.

---

2 Appropriate report redactions will be made to comply with Texas Education Code, Section 51.971.
3 This process is only applicable to administrators, faculty, staff, students, and third parties within the University’s control at the time the investigation is concluded.
2. **Delay for Investigation by Law Enforcement.**
   a) At the request of law enforcement, UTMB may defer its fact gathering until after the initial stages of a criminal investigation. UTMB will nevertheless communicate with the complainant regarding his/her Title IX rights, procedural options, the status of the investigation, and the implementation of interim measures to ensure his/her safety and well-being. UTMB will also communicate with the respondent regarding his/her Title IX rights, procedural options, and information regarding the status of the investigation. UTMB will promptly resume its fact-gathering as soon as law enforcement has completed its initial investigation, or if the fact-gathering is not completed in a reasonable time.
   b) The filing of a complaint under this Policy does not excuse the complainant from meeting time limits imposed by outside agencies. Likewise, the applicable civil or criminal statute of limitations will not affect UTMB’s investigation of the complaint.

G. **Remedies.**

1. In addition to sanctions that may be imposed pursuant to the appropriate disciplinary policy, UTMB will take appropriate action(s) to resolve complaints of sexual misconduct, prevent any recurrence, and, as appropriate, remedy any effects. These actions include but are not limited to:

   a) Imposing sanctions against the respondent, including attending training, suspension, termination or expulsion;
   b) Ensuring the complainant and respondent do not share classes, working environments or extracurricular activities;
   c) Making modifications to the on campus living arrangements of the respondent or complainant (if the complainant requests to be moved);
   d) Providing comprehensive, holistic victim services including medical, counseling and academic support services, such as tutoring;
   e) Providing the complainant extra time to complete or re-take a class or withdraw from a class without an academic or financial penalty;
   f) Determining whether sexual misconduct adversely affected the complainant’s UTMB standing;
   g) Designating an individual specifically trained in providing trauma-informed comprehensive services to victims of sexual violence to be on call to assist victims whenever needed;
   h) Conducting, in conjunction with UTMB leaders, a UTMB climate check to assess the effectiveness of efforts to ensure that UTMB is free from sexual misconduct, and using that information to inform future proactive steps that UTMB will take;
   i) Providing targeted training for a group of students if, for example, the sexual misconduct created a hostile environment in a residence hall, fraternity or sorority, or on an athletic team. Bystander intervention and sexual misconduct prevention programs may be appropriate;
   j) Issuing policy statements or taking other steps to clearly communicate that UTMB does not tolerate sexual misconduct and will respond to any incidents and to any individual who reports such incidents.
2. These remedies are separate from, and additional to, any interim measures that may have been imposed prior to the completion of the investigation. If the complainant did not take advantage of a specific service (e.g., counseling) offered as an interim measure, the complainant should still be offered, and is still entitled to, appropriate final remedies that may include previously declined services. A refusal at the interim stage does not mean the refused service or set of services should not be offered as a remedy.

H. Sanctions and Discipline.
1. Disciplinary action against faculty and employees will be handled under UTMB’s policies for discipline and dismissal of faculty and employees, as follows:
   - IHOP Policy 3.1.9 Discipline, Dismissal, and Appeal for Classified Employees
   - IHOP Policy 5.3.10 Termination
   - UTMB Police Officers are subject to disciplinary action in accordance with The University of Texas System Police Policy 208 Discipline and Appeal Procedure.

Disciplinary actions for individuals not covered under the above-mentioned policies may include, but are not limited to, written reprimands, the imposition of conditions, reassignment, suspension, and dismissal.

2. The Student Affairs Dean of each school will impose disciplinary action, if any, against a student under IHOP Policy 7.1.3 Student Conduct and Discipline. Student disciplinary actions may include, but are not limited to, probation, suspension, or expulsion.

3. In accordance with federal law, when disciplinary action is commenced because of a violation of this Policy, the above policies will provide both parties equal opportunities in all aspects of the process including notices and advisor representation. Further, the standard of proof in determining the outcome will be the “preponderance of the evidence”, as defined in this policy.

VIII. Provisions Applicable to the Investigation.
A. Assistance. During the investigation process, an advisor, who may be an attorney, may assist a complainant or respondent; however, the advisor may not actively participate in meetings or interviews.

B. Time Limitations. The Title IX Coordinator or appropriate administrator on a written showing of good cause by the complainant, respondent, or the University may modify time limitations in these procedures.

C. Concurrent Criminal or Civil Proceedings. UTMB will not wait for the outcome of a concurrent criminal or civil justice proceeding to take action. UTMB has an independent duty to investigate complaints of sexual misconduct. (Except as provided in Section VII.F.2 above).
D. Documentation. UTMB shall document complaints and their resolution and retain copies of all materials in accordance with state and federal records laws and UTMB policy.

IX. Dissemination of Policy and Educational Programs.
A. This Policy will be made available to all UTMB administrators, faculty, staff, and students online at http://www.utmb.edu/policies_and_procedures/toc.aspx and in UTMB publications. Periodic notices will be sent to UTMB administrators, faculty, staff, and students about UTMB’s Sexual Harassment/Sexual Misconduct Policy. The notice will include information about sexual misconduct, including the complaint procedure, and about UTMB’s disciplinary policies and available resources, such as support services, health, and mental health services. The notice will specify the right to file a complaint under this Policy and with law enforcement and will refer individuals to designated offices or officials for additional information.

B. Ongoing Sexual Misconduct Training. The University’s commitment to raising awareness of the dangers of sexual misconduct includes offering ongoing education through annual training and lectures by faculty, staff, mental health professionals, and/or trained UTMB personnel. UTMB will periodically educate and train employees and supervisors regarding the Policy and conduct that could constitute a violation of the Policy. Preventive education and training programs, which includes information about risk reduction, including bystander intervention, will be provided to UTMB administrators, faculty, staff, and students. Training on sexual harassment and sexual violence policy and procedures will be provided to law enforcement personnel, including training on their obligation to advise UTMB administrators, faculty, staff, and students of their rights to file a complaint under this Policy and their right to file a criminal complaint.

C. Training of Coordinators, Investigators, Hearing and Appellate Authorities. All Title IX Coordinators, Deputy Coordinators, investigators, and those with authority over sexual misconduct hearings and appeals will receive training each academic year about offenses, investigatory procedures, due process, and UTMB policies related to sexual misconduct to ensure the safety of victims and promote accountability.

X. Additional Conduct Violations.
A. Retaliation.
Any administrator, faculty member, student or employee who knowingly and intentionally retaliates in any way against an individual who has brought a complaint under this Policy, participated in an investigation or disciplinary process of such a complaint, or opposed any unlawful practice, is subject to disciplinary action up to and including dismissal or separation from the University.

B. False Complaints.
Any person who knowingly and intentionally files a false complaint under this Policy is subject to disciplinary action up to and including dismissal or separation from the University. A finding of non-responsibility does not indicate a report was false.

C. Interference with an Investigation.
Any person who knowingly and intentionally interferes with an ongoing investigation conducted under this Policy is subject to disciplinary action up to and including dismissal or separation from the University. Interference with an ongoing investigation may include, but is not limited to:
1. Attempting to coerce, compel, or prevent an individual from providing testimony or relevant information;
2. Removing, destroying, or altering documentation relevant to the investigation; or
3. Providing false or misleading information to the investigator, or encouraging others to do so.

D. No Effect on Pending Personnel or Academic Actions Unrelated to the Complaint.
The filing of a complaint under this Policy will not stop or delay any action unrelated to the complaint, including: (1) any evaluation or disciplinary action relating to a complainant who is not performing up to acceptable standards or who has violated UTMB rules or policies; (2) any evaluation or grading of students participating in a class, or the ability of a student to add/drop a class, change academic programs, or receive financial reimbursement for a class; or (3) any job-related functions of a UTMB employee. Nothing in this section limits UTMB’s ability to take interim action.

XI. Documentation.
UTMB will confidentially maintain information related to complaints under this Policy, as required by law. The Title IX Coordinator will document each complaint or request for assistance under this Policy, whether made by a victim, a third party, or anonymously, and will review and retain copies of all reports generated as a result of investigations. These records will be kept confidential to the extent permitted by law. Any person who knowingly and intentionally makes an unauthorized disclosure of confidential information contained in a complaint or otherwise related to the investigation of a complaint under this Policy is subject to disciplinary action.

XII. Annual Reporting and Notice.
The University’s Title IX General Policy Statement will be made available to all students, faculty, and employees online, in required publications, and in specified departments. On an annual basis, and upon any updates to this Policy, UTMB will send notice of its compliance with Title IX as required by law. The annual notice shall designate the Title IX Coordinator and Deputy Coordinators, explain which offenses are prohibited and where to report violations of this Policy, provide information regarding victim resources, and provide a link to this Policy and other related UTMB websites.

XIII. Definitions
Consent: A voluntary, mutually understandable agreement that clearly indicates a willingness to engage in each instance of sexual activity. Consent to one act does not imply consent to another. Past consent does not imply future consent. Consent to engage in sexual activity with one person does not imply consent to engage in sexual activity with another. Consent can be withdrawn at any time. Any expression of an unwillingness to engage in any instance of sexual activity establishes a presumptive lack of consent.

Consent is not effective if it results from: (a) the use of physical force, (b) a threat of physical force, (c) intimidation, (d) coercion, (e) incapacitation or (f) any other factor that would eliminate an individual’s ability to exercise his or her own free will to choose whether or not to have sexual activity.
A current or previous dating or sexual relationship, by itself, is not sufficient to constitute consent. Even in the context of a relationship, there must be a voluntary, mutually understandable agreement that clearly indicates willingness to engage in each instance of sexual activity.

The definition of consent for the crime of sexual assault in Texas can be found in Section 22.011(b) of the Texas Penal Code.\(^4\)

**Dating Violence\(^5\):** Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship will be determined by the victim with consideration of the following factors:

- The length of the relationship;
- The type of relationship; and
- The frequency of interaction between the persons involved in the relationship

Dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse. It does not include acts covered under the definition of domestic violence.

**Domestic (Family) Violence\(^6\):** includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family

\(^4\) Texas Penal Code, Section 22.011(b) states that a sexual assault is without consent if: (1) the actor compels the other person to submit or participate by the use of physical force or violence; (2) the actor compels the other person to submit or participate by threatening to use force or violence against the other person, and the other person believes that the actor has the present ability to execute the threat; (3) the other person has not consented and the actor knows the other person is unconscious or physically unable to resist; (4) the actor knows that as a result of mental disease or defect the other person is at the time of the sexual assault incapable either of appraising the nature of the act or of resisting it; (5) the other person has not consented and the actor knows the other person is unaware that the sexual assault is occurring; (6) the actor has intentionally impaired the other person's power to appraise or control the other person's conduct by administering any substance without the other person's knowledge; (7) the actor compels the other person to submit or participate by threatening to use force or violence against any person, and the other person believes that the actor has the ability to execute the threat.

\(^5\) Dating Violence is defined by the Texas Family Code, Section 71.0021 as: (a) an act, other than a defensive measure to protect oneself, by an actor that:
- is committed against a victim;
- with whom the actor has or has had a dating relationship; or
- because of the victim's marriage to or dating relationship with an individual with whom the actor is or has been in a dating relationship or marriage; and
- is intended to result in physical harm, bodily injury, assault, or sexual assault or that is a threat that reasonably places the victim in fear of imminent physical harm, bodily injury, assault, or sexual assault.
- For purposes of this title, "dating relationship," means a relationship between individuals who have or have had a continuing relationship of a romantic or intimate nature. The existence of such a relationship shall be determined based on consideration of:
  - the length of the relationship;
  - the nature of the relationship; and
  - the frequency and type of interaction between the persons involved in the relationship.
  - A casual acquaintance or ordinary fraternization in a business or social context does not constitute a "dating relationship" under Subsection (b).

\(^6\) Family Violence is defined by the Texas Family Code Section 71.004 as:
- an act by a member of a family or household against another member of the family or household that is intended to result in physical harm, bodily injury, assault, or sexual assault or that is a threat that reasonably places the member in fear of imminent physical harm, bodily injury, assault, or sexual assault, but does not include defensive measures to protect oneself;
- abuse, as that term is defined by Sections 261.001(1)(C), (E), and (G), by a member of a family or household toward a child of the family or household; or
- dating violence, as that term is defined by Section 71.0021.

Texas Penal Code Section 22.01 provides the criminal penalties associated with Domestic (Family) Violence.
violence laws of the state of Texas, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the state of Texas.

**Hostile Environment:** exists when sex-based harassment is sufficiently severe or pervasive to deny or limit the individual’s ability to participate in or benefit from the University’s programs or activities or an employee’s terms and conditions of employment. A hostile environment can be created by anyone involved in a University’s program or activity (e.g., administrators, faculty members, employees, students, and UTMB visitors).

In determining whether sex-based harassment has created a hostile environment, UTMB considers the conduct in question from both a subjective and objective perspective. It will be necessary, but not adequate, that the conduct was unwelcome to the individual who was harassed. To conclude that conduct created or contributed to a hostile environment, UTMB must also find that a reasonable person in the individual’s position would have perceived the conduct as undesirable or offensive.

To ultimately determine whether a hostile environment exists for an individual or individuals, UTMB considers a variety of factors related to the severity, persistence, or pervasiveness of the sex-based harassment, including: (1) the type, frequency, and duration of the conduct; (2) the identity and relationships of the persons involved; (3) the number of individuals involved; (4) the location of the conduct and the context in which it occurred; and (5) the degree to which the conduct affected an individual’s education or employment.

The more severe the sex-based harassment, the less need there is to show a repetitive series of incidents to find a hostile environment. Indeed, a single instance of sexual assault may be sufficient to create a hostile environment. Likewise, a series of incidents may be sufficient even if the sex-based harassment is not particularly severe.

**First Amendment Considerations:** this Policy does not impair the exercise of rights protected under the First Amendment. The University’s sexual misconduct policy prohibits only sex-based harassment that creates a hostile environment. In this and other ways, UTMB applies and enforces this Policy in a manner that respects the First Amendment rights of students, faculty, and others.

**Incapacitation:** A state of being that prevents an individual from having the capacity to give consent. For example, incapacitation could result from the use of drugs or alcohol, a person being asleep or unconscious, or because of an intellectual or other disability.

**Intimidation:** Unlawfully placing another person in reasonable fear of bodily harm through the use of threatening words and/or other conduct, but without displaying a weapon or subjecting the victim to actual physical attack.

**Other Inappropriate Sexual Conduct:** Includes unwelcome sexual advances, requests for sexual favors, or verbal or physical conduct of a sexual nature directed towards another individual that does not rise to the level of sexual harassment but is unprofessional, inappropriate for the workplace or classroom and is not protected speech. It also includes consensual sexual conduct that is unprofessional and inappropriate for the workplace or classroom.
Preponderance of the Evidence: The greater weight of the credible evidence. Preponderance of the evidence is the standard for determining allegations of sexual misconduct under this Policy. This standard is satisfied if the action is deemed more likely to have occurred than not.

Responsible Employee: A UTMB employee who has the duty to report incidents of sexual misconduct to the Title IX Coordinator or other appropriate designee, or an employee whom an individual could reasonably believe has this duty. Responsible employees include all administrators, supervisory staff, advisors, graduate teaching assistants, and faculty who have a responsibility for students in the following capacities: teaching; advising; coaching or mentoring; or supervising in a clinical setting. Employees with confidentiality obligations as defined in Section IV.D. are not included in the definition of responsible employee. Incidents of sexual misconduct (including sexual harassment and sexual violence) and other inappropriate sexual conduct may also be reported to Responsible Employees.

Retaliation: Any adverse action threatened or taken against someone because the individual has filed, supported, provided information in connection with a complaint of sexual misconduct or engaged in other legally protected activities. Retaliation includes, but is not limited to, intimidation, threats, or harassment against any complainant, witness, or third party.

Sexual Assault: An offense that meets the definition of rape, fondling, incest, or statutory rape:

a) Rape: the penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim.

b) Fondling: The touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental incapacity.

c) Incest: Sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.

d) Statutory Rape: Sexual intercourse with a person who is under the statutory age of consent.

Sexual Exploitation: Occurs when an individual takes non-consensual or abusive sexual advantage of another for his or her own benefit, or to benefit anyone other than the one being exploited. Examples of sexual exploitation include, but are not limited to, engaging in voyeurism; forwarding of pornographic or other sexually inappropriate material by email, text, or other channels to non-consenting students/groups; and any activity that goes beyond the boundaries of consent, such as recording of sexual activity, letting others watch consensual sex, or knowingly transmitting a sexually transmitted disease (STD) to another.

**Sexual Misconduct**: A broad term encompassing a range of non-consensual sexual activity or unwelcome behavior of a sexual nature. The term includes, but is not limited to, sexual assault, sexual exploitation, sexual intimidation, sexual harassment, domestic violence, dating violence, and stalking. Sexual misconduct can be committed by men or women, strangers or acquaintances, and can occur between or among people of the same or opposite sex.
