I. Title

*Freedom of Expression*

II. Policy

The University of Texas Medical Branch (UTMB or University) recognizes that the freedoms of speech, expression, and assembly are a central mission to higher education. UTMB is committed to fostering the free exchange of ideas and protecting the rights of freedom of speech, expression, and peaceful assembly set forth in the U.S. Constitution. Additionally, the University maintains its right to establish reasonable time, place, and manner restrictions on the expressive activities on UTMB grounds.

A. **Forums** –

To further the ability to freely express oneself, UTMB provides multiple forums. These forums include:

- **Traditional Public Forums:** UTMB’s common outdoor areas are considered traditional public forums. Generally, the common outdoor areas are available for lawful expressive activity, planned or spontaneous, for individual or small groups of 24 or less individuals at any time without the need for reservation. To ensure the use of a specific common outdoor area, interested individuals or groups are encouraged to make a reservation as described in Section III.B. Individuals or groups engaged in an expressive activity in a common outdoor area with a reservation will be given priority to those individuals without reservations and may be required to relocate.

- **Designated public forums:** UTMB may temporarily make limited public forums available for expressive activities as specified by UTMB. These areas while designated as such will be treated similarly to the common outdoor areas for access and expressive activity to the general public. Obstruction or impeding the flow of vehicular or pedestrian traffic is prohibited.

- **Limited Public Forums:** UTMB buildings, grounds, and facilities that are not common outdoor areas are limited public forums and the freedom of expression may be limited for particular groups or particular topics. [IHOP – 02.06.01 – Use of UTMB Facilities](#) and [02.06.02 – Special Use Facilities](#) discuss the use and reservation of these areas.

- **Nonpublic Forums** – Areas of UTMB facilities and campus that are not traditional public forums and are not by tradition or designated for public communication. These areas will be restricted to their intended use and not available for public expressive activity. The nonpublic forums include, but are not limited to:
  - Galveston National Lab
  - Hospital and clinic facilities
  - Research facilities
  - Administrative facilities
  - Academic facilities
  - Libraries
  - Classrooms
Those individuals choosing to engage in an expressive activity and those choosing to listen to an expressive activity must recognize and respect the right and freedom to express oneself; thus faculty, staff, or students who unduly interfere with an expressive activity will be subject to disciplinary sanctions.

Individual or group speech, expression, or ideas during an expressive activity on UTMB properties is the viewpoint of the individual or group and not of UTMB.

B. Expression Restrictions
UTMB will place priority in allocating the use of space on campus based upon the needs of teaching, research, providing healthcare, and other official functions of the University. Thus, distance restrictions, crowd placement restrictions, and security concerns may vary depending on security concerns for patients, faculty, staff, and students. The security concerns may be such that, whether due to disruptive activity or other extenuating security events, permitted expressive activities be relocated and/or required to cease the activity.

- No person or organization may engage in expressive activity within a 15 feet clearance around points of entry and the perimeter of all UTMB buildings.
- Any acts that are disruptive to the normal operations of UTMB, including academic, healthcare, research, or administrative are not permitted.
- Expressive activities are permitted from 7:00 am to 7:00 pm.
- No expression is permitted that may damage, deface, discolor, or alter in any way UTMB property or property of another displayed or posted on UTMB grounds.
- Amplified sounds may be permitted in areas that are not disruptive to ordinary UTMB business.
- Literature distribution is permitted; however, the distributing group will be responsible for maintaining UTMB grounds by disposing disregarded literature on University property.
- Expressive displays, tables, and banners may be permitted when not disruptive to ordinary UTMB business, are not attached to UTMB buildings or facilities, not damaging UTMB property, and not obstructing or impeding the flow of vehicular or pedestrian traffic.
- Obstructing or impeding the flow of vehicular or pedestrian traffic is prohibited.
- No person is permitted to engage in, display, or distribute speech on UTMB properties that is obscene, harassing, defamatory, inciting imminent violations of the law, or soliciting or commercial in nature.
- No person is permitted to engage in an expressive activity that may be in violation of any other UTMB policy or may endanger the health or safety of others.

C. Disruption of Expressive Activities
- Faculty, students, and staff engaging in a disruptive activity may be subject to disciplinary sanctions.
- Any participant engaging in a disruptive activity may be subject to criminal charges.

III. Reservation Requirements and Procedures for Common Outdoor Areas
Reservations are required for particular expressive activities to ensure safety of the participants and those with ordinary business at UTMB. For reservations of limited public forums such as indoor facilities see IHOP – 02.06.01 – Use of UTMB Facilities and 02.06.02 – Special Use Facilities.
A. Groups Requiring Reservations:
   • Expecting 25 or more in attendance;
   • Requesting more than one day for activity;
   • Requesting areas regularly utilized for University sponsored activities;
   • Intending the utilization of amplified sound or other special equipment; and/or
   • Intending to set up a display that will impede the flow of pedestrian and/or vehicular traffic.

B. Reservation Procedure
Groups required to make reservations for an expressive activity as well as individuals or groups wanting to make a non-required reservation shall follow the procedure below. Registered Student Organizations will follow the requirements and procedures provided by Student Life.

The requesting group must file a Freedom of Expression Reservation form at a minimum of two weeks prior to the proposed date.

Upon completion and submittal, the form will be routed to the Reservation Committee. This committee will coordinate with the requesting group the location, date based upon information provided and availability. University sponsored activities will have first priority for location, and UTMB reserves the right to relocate expressive activities in the interest of safety and security of all people on UTMB property.

Approval or denial of a reservation request will be based upon completion of form, timeliness of the request, and availability. The committee will not consider nor base their decision on the content or viewpoint of the expressive activity or the expected reaction of others. The committee will communicate a confirmation or denial of reservation request in writing. Those who receive a denial may file an appeal.
