

Sustainable Practices	Current Activity	Goals	Target Date	Responsibility	Actual Date
<b>Energy and Water Efficient Practices</b>	<ul style="list-style-type: none"> <li>• RE: UTMB Resource Conservation Policy Guidelines</li> <li>• Resource Conservation Initiative (building energy scorecards)</li> <li>• RE: UT Systems Quarterly Report (tracks energy, water, gas utilization and energy conservation programs)</li> <li>• Sustainable Energy Management Plan</li> <li>• Building Energy Studies (analyze building energy conservation measures based upon life cycle costs, identify favorable payback strategies and implement )</li> <li>• Water Utilization Program ( install water savers on sterilizers campus wide – saves 50% potable water )</li> </ul>	<ul style="list-style-type: none"> <li>• Continue Conservation Team building energy scorecards</li> <li>• Finalize and implement ANSI Standard Sustainable Energy Management Plan</li> <li>• Reestablish energy consumption baseline post Ike and set goals for energy reduction</li> <li>• Develop energy standards design audit for new construction and renovation projects and incorporate into design reviews</li> </ul>	Report to UT System quarterly	FOAM	
<b>Alternative Energy Practices</b>	<ul style="list-style-type: none"> <li>• Photovoltaic installed on parking garage – powers garage lighting during daylight hours – 8 year payback</li> </ul>	<ul style="list-style-type: none"> <li>• Develop checklist for new construction and major renovation to evaluate opportunities for alternative energy systems.</li> </ul>	8/31/09	FOAM	
<b>Climate Protection Practices</b>	<ul style="list-style-type: none"> <li>• In conformance with requirements of “non-attainment zone” of Title V Clean Air Act</li> </ul>	<ul style="list-style-type: none"> <li>• Develop a baseline campus carbon footprint</li> </ul>	8/31/2010	FOAM	
<b>Sustainable Transportation Practices</b>	<ul style="list-style-type: none"> <li>• RE: UTMB Resource Conservation Policy Guidelines</li> <li>• RE: UT Systems Quarterly Report</li> <li>• Vanpools: 15- 12 passenger vans operate 5 days/week</li> <li>• Free City bus, trolley transportation for University students, employees, retirees, patients.</li> <li>• Alternative Fuel Vehicles at UTMB: 4 propane trucks (and propane fueling station) , all light trucks, vans, passenger vehicles are E-85, Ethanol compatible. All new fleet vehicles (except emergency and police) must comply with D.O.E., E-Impact requirements for alternative fuel vehicles.</li> </ul>	<ul style="list-style-type: none"> <li>• Analyze hybrid vehicles for compliance with D.O.E. requirements and acceptable life cycle costs.</li> <li>• Coordinate with Historic Downtown Strand Seaport’s Galveston Island Bicycle Day and Car-Free Day</li> </ul>	8/31/2010  7/31/09	Auxiliary Enterprise/ Purchasing  Public Relations	
<b>Waste and Recycling Management</b>	<ul style="list-style-type: none"> <li>• RE: UTMB Resource Conservation Policy Guidelines <ul style="list-style-type: none"> <li>- 10 different materials currently recycled</li> <li>- Recycling resulted in 20% diverted from waste stream in FY 2007</li> </ul> </li> <li>• Waste Reduction Policy for Pathology Clinical Services</li> <li>• RE: UT Systems Quarterly Report <ul style="list-style-type: none"> <li>- Chemical Recycling program – “ChemSwap”</li> </ul> </li> </ul>	<ul style="list-style-type: none"> <li>• Increase availability of recycling stations and types of materials recycled in all UTMB buildings</li> <li>• Develop a student recycling program</li> <li>• Develop and implement sustainable demolition practices</li> <li>• Reduce waste stream reduction by 2%</li> </ul>	8/31/2010	FOAM	

<b>Environmentally Preferable Purchasing</b>	<ul style="list-style-type: none"> <li>There is currently no policy regarding sustainable purchasing practices</li> </ul>	<ul style="list-style-type: none"> <li>Draft a UTMB Sustainable Purchasing Practice Policy in conformance with the UT System Policy on Sustainable Practices</li> <li>Conduct product “ Life Cycle “ workshop</li> </ul>	8/31/2010	Logistics	
<b>High Performance Buildings</b>	<ul style="list-style-type: none"> <li>Though new buildings are held to a very high performance standard, there are currently no LEED certified buildings on campus</li> </ul>	<ul style="list-style-type: none"> <li>Use the USGBC, LEED Project Checklist as a reference for major renovations or new construction projects</li> </ul>	8/31/09	FOAM	
<b>Sustainability Awareness and Training</b>	<ul style="list-style-type: none"> <li>RE: UTMB Resource Conservation Policy Guidelines</li> </ul>	<ul style="list-style-type: none"> <li>Integrate sustainability awareness into UTMB compliance training</li> <li>Incorporate sustainability programs into new employee orientation</li> <li>Create a user friendly, comprehensive sustainability page on the UTMB website that integrates all current and planned sustainability efforts, provides resources and increases awareness of campus sustainability efforts</li> </ul>		Public Relations/ FOAM	
<b>Curricula Integration</b>	<ul style="list-style-type: none"> <li>No formal sustainability component currently integrated into curricula</li> </ul>	<ul style="list-style-type: none"> <li>Conduct two “brownbag” sessions with students to raise level of awareness to campus sustainability and promote participation</li> </ul>	8/31/2010	Student Services	
<b>Student Involvement</b>	<ul style="list-style-type: none"> <li>Earth Day activities</li> <li>Galveston Beach Clean Up Day</li> <li>RE: UTMB Resource Conservation Policy Guidelines</li> </ul>	<ul style="list-style-type: none"> <li>Develop a student recycling program that increases the availability of recycling stations and types of materials recycled to students.</li> <li>Incorporate campus wide sustainability efforts and opportunities into Student Orientation program</li> <li>Incorporate student involvement in sustainability component of any planned student housing effort</li> </ul>	8/31/2010 9/1/2009	Student Services/ Student Govt Assoc.	
<b>Community Outreach</b>	<ul style="list-style-type: none"> <li>Earth Day activities</li> <li>RE: UTMB Resource Conservation Policy Guidelines</li> <li>Plant material mulching agreement with City of Galveston</li> </ul>	<ul style="list-style-type: none"> <li>Coordinate with Historic Downtown Strand Seaport’s Galveston Island Bicycle Day and Car-Free Day</li> <li>Create a user friendly, comprehensive sustainability page on the UTMB website that integrates all current and planned sustainability efforts, provides resources and increases awareness of campus sustainability efforts</li> <li>UTMB participation in Annual Texas Beach Cleanup</li> </ul>	8/31/2010	Public Relations	
<b>Annual Plans and Reports</b>	<ul style="list-style-type: none"> <li>The work of the committee will be incorporated into UTMB’s existing Resource Conservation Policy</li> </ul>	<ul style="list-style-type: none"> <li>Starting August 2009, this committee will continue to meet monthly, bring in internal expertise needed and coordinate with Public Affairs to organize data and develop and implement a strategy for improved communication and access.</li> </ul>	8/31/2010	Public Relations/ The Committee
