Child and Adolescent Psychiatry Program
Application Requirements

The Child and Adolescent Psychiatry program accepts four PGY4 residents each year. Appointments are made in accordance with the National Residency Matching Program. Selection is based on the following:

1. Completed application, submitted through ERAS.
2. Personal Statement
3. Training Documentation Form from your Program Director.
4. Three letters of documentation:
   - Letter from current Program Director
   - 2 letters from Faculty
5. Curriculum Vitae
6. Attestations
7. Medical Transcript
8. Completion of an interview at UTMB.

Visas
UTMB is unable to accept H1B visas at this time so only J1’s will be considered.

Deadlines
Applications for PGY4 positions will be accepted through the ERAS system only and should be submitted no later than November 1 for appointment beginning July 1.
