

# POVERTY SIMULATION

Experience the challenges of how low income families survive

"Powerful"  
"Eye Opening"  
"Riveting"

A scenario driven simulation, it immerses you in the reality of the day-to-day challenges faced by many of our fellow citizens and reveals how complex and interconnected the issues of poverty really are. Participants are introduced to local organizations in need of volunteers to assist vulnerable populations.

## Special Invitation

### What

A profoundly moving and interactive conference which allows individuals to personally experience what it's like to "walk a month" in the shoes of someone who is facing poverty.

### When

Wednesday, March 15, 2017 8:30 AM to 12:30 PM

### Where

The Showboat Pavilion  
416 6th Street North  
Texas City, TX 77590

### Cost

Free! Light breakfast and lunch provided
